Click on: Celebrating 50 years of Graduates

On Saturday, May 31, 2008 and Sunday, June 1, 2008, 50th Anniversary Celebrations will take place. It is estimated that 5,000 students have graduated from our school during our first fifty years. Attendees who did not actually graduate from Regional #7 will be welcome at the celebrations, as well.

Do you know anyone who cannot or may not contact us? If you know their addresses, phone or email, please notify them of the Celebration and/or provide them with a copy of the form below. We are looking to get responses from students in all 50 classes whether they are able to attend the celebration or not. Each person is encouraged to include as much or as little information as they wish. You are welcome to attach additional pages with more details. These forms will be available at the Town Halls in Barkhamsted, Colebrook, New Hartford and Norfolk, Winsted and other selected locations in the area. Our hope is to have books available at the May 31 and June 1 events with this information.

The schedule is as follows: May 31 – An informal dinner dance at Ski Sundown in New Hartford. A family-style dinner will be served and a DJ will be playing music from the 1950s through the present. There are a limited number of tickets available. Early payment will assure you a space.

June 1 – Activities will commence at the school with an open house and tour of the building; a viewing of an historic video; alumni band and informal class reunions. Suggestions for further activities are being sought. Contact any Steering Committee member through the website listed above.
